Experience in attending WP29 it's benefit and concern

1. Status of your country as contracting party of 1958 or 1998 agreement .

_ Viet Nam hasn't become a contracting party of 1958 and 1998 agreements yet.

2. History (Experiences) of participation in WP29

_ Vietnam Register, as Representative of Vietnam, has attended the WP29 Meeting as an Observer in recent years.

_Since 2000s , we have started participating in WP29 to grasp the ECE regulations, international harmonization.

3. What are your interests or focused agenda among WP29 or each GR agenda?

We widely convers the agenda of WP 29 and GRs. However, at present, for making the new standard and regulation, we are focusing on agendas related to: :

_ Autonomous vehicles;

_ Electric vehicles;

_ IWVTA .

Experience in attending WP29 It's benefit and concern

4. Any of your (countries') comments in participating WP29.- Benefit -Obstacle, problem -support needed to enhance current activities

- Benefit :

_ Grasping the general development of automobile, auto part's techologies,the regulations of the world;

_ Development the roadmap and strategy for making the law system, national standards and regulations for vehicles;

_ Enhancing the quality of automobiles, auto-part as well as the competency among manufactures in Vietnam.

- Obstacle:

_ Because of budget limitation, we can't attend every WP29 and GRs in a year
