

January 9, 2026

Thank you for using the Automotive Regulations Information Web Service. We have completed a comprehensive review of all regulations, and would like to inform you of the results. We apologize for the inconvenience, but regarding the correction not to be reflected in following EEC Regulations, which we previously announced, we will be reconsidering the implementation schedule based on the results of the comprehensive inspection.

Below are the regulations in question and the details of content that was not reflected. Corrections are scheduled to be made according to the timelines indicated in the "Month of update" column.

Name of Regulation		Contents that have not been reflected (Date) ※ Due to the large number of regulations, we have changed the information to only include the target and period.	Month of update
EEC	① 2018/858	2121/1445(2021/9/6)	Finished
	② 70/157 (repeal in 2027)	2013/15(2013/6/10)	January edition ※ Changed from the September edition
	③ 582/2011 (repeal in 2031)	519/2013(2013/6/10)	

As previously announced, the following EEC Regulations, even though these regulations have already been repealed, we will make corrections.

Name of Regulation		Contents that have not been reflected (Date)	Month of update
EEC	④ 109/2011 (already repealed)	519/2013(2013/6/10)	February edition (tentative) ※ Changed from the September edition
	⑤ 1008/2010 (already repealed)	519/2013(2013/6/10)
