Concerns of ASEAN MRA

- ✓ Test report description

**Could you allow us to share our knowledge
from experiences?**

4. Suggestion by JAPIA

Introduction timing

(Example)

Effectiveness of MRA test report is limited until 202X.

Suggestion

- ASEAN MRA had better be alternative until 10 countries' introduction.
- AAC should set target date, and disclose the progress to the public.

Example:UNR17(Seat)

Requirement for non-use position

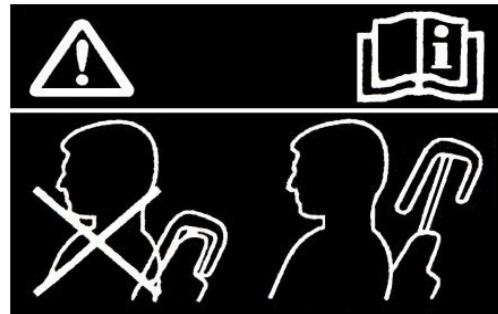

(Example of OK Judgement)

①Shape of head restraint

②Labeling

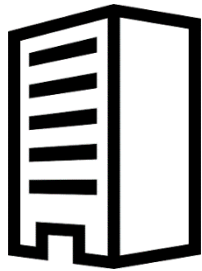

Legal text can be judged in various way.

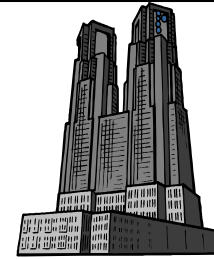

Suggestion

It would be necessary for Working Group among technical services under AAC to share various interpretation.

4. Suggestion by JAPIA

Test report issued by technical services in A country

B country

~~Item numbering~~
~~Requirement title~~

➡ Cannot compare at first glance.

~~Description of~~
~~Result and judgement~~

➡ Cannot be the same judgement in A and B country.

or
Need to clarify the measurement result

Suggestion

It would be necessary to make common rules for test report like
- Common format - Common description - Common Judgement

-Asian one voice-

Asian one voice will bring us more merits!

Imagine there's no heaven
it's easy if you try
no hell below us
above up only sky
imagine all the people
living for today...

Imagine no possessions
I wonder if you can
no need for greed or hunger
a brotherhood of man
Imagine all the people
sharing all the world...

Thank You for Your Attention

“**Imagine**” again ~John Lennon~

Imagine there's no countries
it isn't hard to do
nothing to kill or die for
no religion too
imagine life in peace...

you may say I'm a dreamer
but I'm not the only one
I hope someday you'll join us
and

the world will be as one
