August 30, 2007

Dear Sirs or Madam,

We are pleased to inform you that Indonesia will be hosting the Asian Expert Meeting on ECE R41 and R51 (Noise on Two and Four Wheeler Vehicles) in Jakarta on October 24-25, 2007. As agreed in the 11th JASIC Government/Industry Meeting in Jakarta last year, an expert meeting will be held with JASIC technical support to introduce standard, methods and procedures for Inspection of Noise for Motor Vehicle (ECE R41 and R51). In this regards, we would like to extend our invitation to you and the related industry officials to participate in this meeting.

We would like to inform you that the meeting will be held at the Grand Melia hotel, Jakarta, where we have secured preferential accommodation rates for expert meeting participants. The meeting and hotel registration forms, together with tentative agenda and other related information are also attached.

We would be grateful if you could return the completed forms by the given deadlines, so as to allow us to finalize the meeting arrangements. In the meantime, to assist us in planning the meeting, we would appreciate it if you could give us by September 30, 2007, the number of participants from your country who will attend the meeting.
